

# “THE AMERICAN DREAM IS ALIVE AND COOKING”

NISH PATEL

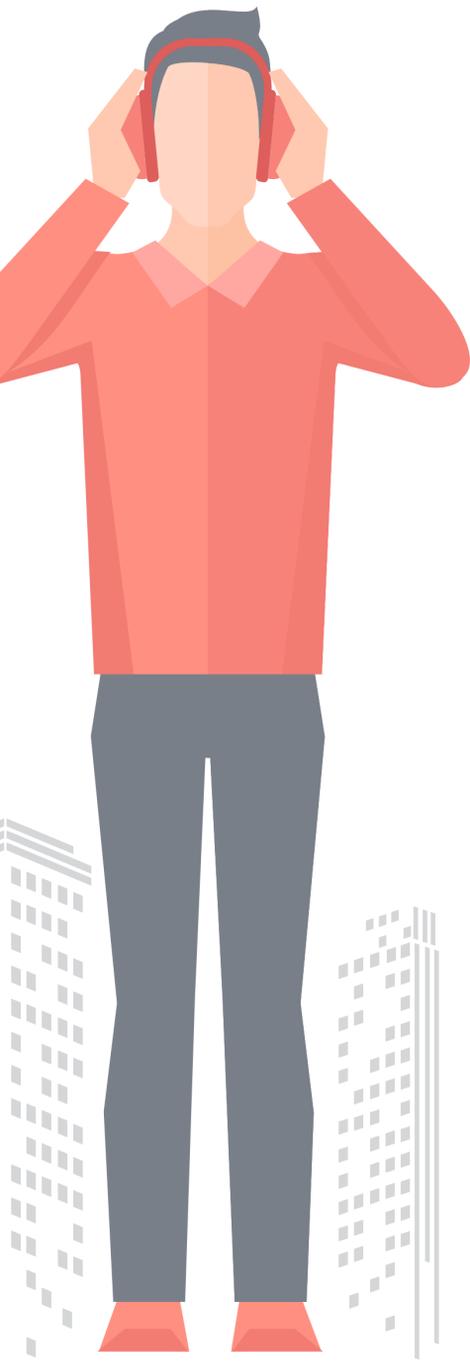

Nish Patel is a self-made man! He started Paperchase US operations which is originally from London. Paperchase established their niche expertise into hospitality business by producing analytical reporting and helping outsourcing day-to-day finance operations. When Nish started, his vision was to have 30 restaurants as clients in 5 years, but today they have over 400 restaurants in just the US alone and continue to grow with offices in NY and Miami.

Prior to launching Paperchase in the US, Nish ran a small business in London like corner shop. Prior to that he worked for a CPA firm in London Makan & Makan Chartered Accountants. After that, he joined Paperchase India operations and that's how this journey started.

A self-proclaimed Introvert, Nish likes to lead by example and takes great pride in developing his team. He leads by the philosophy of his “people are the true assets of companies, not computers, software or other traditional assets”.

Nish is committed to a life of learning. He's a voracious reader that always looks to make himself better and is constantly reading non-fiction. In his limited personal time Nish can be found traveling the world with his wife. Nish received his Bachelors in Commerce from Gujarat University

## TODAY'S SUBJECTS

What is Paperchase?

Nish's strategy while building his staff

How to earn respect and appreciation from your clients

How to respond in times of economic uncertainty

What it takes to have a positive impact on an entire industry

Common mistakes made by restaurant owners
