

NETWORKWISE
WITH ADAM CONNORS

HOW TO IDENTIFY & DEVELOP RELATIONSHIPS THAT ARE ALREADY IN YOUR NETWORK

Group Coaching Program

This 5-week incentive program teaches you the most important networking skills and ways to identify those in your network who are highly influential and how to successfully build relationships with them.

Earn as you learn!

Each week NetWorkWise will email you information and projects with instructions on how to effectively develop your networking abilities and increase your contact list. And you will be rewarded monetarily for the weekly assignments that you complete – a great incentive to follow through!

What you need to be successful

Each Week Availability of 1 hour a week for 5 weeks to complete specific assignments

Each Day Dedication of at least 15 minutes a day to apply and develop what you have learned

Overall Commitment Devotion to your own success for the strategies to work!

High Value Takeaways

By the end of this program you will learn to:

- Develop a consistent networking mindset (this is priceless!)
- Set goals and apply them to networking
- Identify successful people already in your network and the strategies of interacting with them appropriately
- Determine the value of a database and how to get the most out of it
- Build a contact list that consists of multiple super-connectors
- Do a few minor things that majorly impact your relationships
- Ultimately recognize the opportunities to build your network that are presented to you in almost everything you do
- Appreciate that you are part of a diverse and definitive network consisting of others in this program who share your knowledge and understanding of what true networking really is (this is invaluable and most important!)

Physical Takeaways

You will receive the following as part of The NetWorkWise Networking Tool-Kit. Each contains instructions and advice for using and how to effectively apply it to your own network:

- A Networking Assessment Evaluation
- The Sphere of Influence Worksheet
- A Customized Seasonal Calendar
- Networking Templates and Guides
